Nov Prayer Requests 🙏

1. Thanksgiving and Prayer for Yiu On Church's Short-Term Mission Trip

Yiu On Church's short-term mission trip has concluded successfully. The team members built meaningful fellowship with the OLD team, and through various ministries and the sharing of personal testimonies, they made a positive impact on the local community. We thank God for His guidance and grace throughout the trip.

Please continue to pray that the seeds of the Gospel sown through this ministry will take root in the hearts of local residents and bear abundant fruit in the future.

2. Prayer for the JCMN Missions Summit and a New Missionary

During the recent JCMN Missions Summit, we enjoyed a wonderful time of fellowship and had the opportunity to share about the importance and urgent needs of world missions.

We are especially thankful that a young woman responded to God's calling and has committed herself to pursuing the path of becoming a missionary. Please pray for her journey ahead, including partnership with a sending church, discernment regarding her mission field, missionary training, and all aspects of her preparation.

3. Prayer for the Online Missions Sharing Meeting (November 28)

An Online Missions Sharing Meeting will be held on November 28. Brothers and sisters who participated in short-term mission trips this year will share their firsthand experiences and testify to God's wonderful work during their time of service.

Please pray that these life-changing testimonies will encourage and inspire believers throughout the network, helping them gain a deeper understanding of and burden for world missions. Also pray that God will move the hearts of more people to take a step of faith and participate personally in short-term missions next year, joining in His missionary work.

4. Prayer for Pastor Ben Wong's Visit (November 21-25)

Ben will be visiting Iwate Prefecture from November 21 to 25.

Please pray for this visit, that God will bless his fellowship and interactions with the OLD team. May every missionary be encouraged, supported, spiritually refreshed, and strengthened in their relationships with one another.

In addition, Ben plans to visit network churches in both Akita and Iwate Prefectures. Pray that God will use these visits and times of fellowship to encourage believers in the local churches and foster greater connection and cooperation among them. May the relationships between the Akita and Iwate network churches grow stronger as they support one another and work together in advancing God's Kingdom.
