Prayer Points:

1. May those baptized last month be deeply rooted in God's Word and grow consistently in their faith.

3. We pray for swift progress and approval of the FCRA application, with confidence in the consultant's positive outlook.
4. May the church's annual retreat, scheduled from the evening of September 30 to the afternoon of October 3, be a source of blessing and spiritual renewal for all attendees.
5. We pray for the church, its branch churches, youth fellowship, house fellowships, and Sunday schools to grow spiritually vibrant and strong in faith.

Updates and Prayer Points:

1. **Relief Mission:**

- Please pray for safety, protection, and well-being for our ground teams (including us) serving in:
 - IDP communities
 - Border areas
 - Earthquake-affected zones
- Pray that in the midst of insecurity, instability, and growing needs, God's grace will sustain the team to continue serving—bringing food, shelter, medical aid, and educational support to vulnerable communities.
- Pray for our outreach efforts to displaced orphans, widows, elders, teachers, and pastors—that they may experience God's love and comfort.
- Ask for God's provision to meet the rising challenges, including life-threatening risks, as many of our team members are themselves displaced and living in hardship but continue to serve faithfully.

2. Outreach Mission in Maesot:

- Pray for God's guidance, provision, and grace as we minister in Maesot and nearby areas.
- Pray for effective outreach among displaced people and refugees through:
 - Education
 - Basic health care
 - Other small ministries that demonstrate God's love
- Please pray for the women's groups, children, and young adults we serve through home-based programs.
- Lift up our skill development training that is helping to build up young people based on Christian values.

3. Situation of Myanmar People in Maesot:

- Pray for the Myanmar people in Maesot, many of whom have been forced to flee their country.
- Pray for protection amid:
 - Thai authorities conducting checks and deportations
 - Rising tensions due to financial fraud (KK Park) and drug trafficking
- Many Myanmar individuals are unjustly affected and facing severe hardship.

4. Personal Life:

- Praise God for His provision—we've been able to renew our house rental contract for another year.
- Thank God that we can still serve despite uncertainties.
- Please pray for:
 - Good health for both of us
 - Discernment, strength, and endurance to continue our ministry

- Grace to persevere through the many challenges we face
- Pray for breakthroughs with our passports and visas, which are still on hold.
- Pray for Judson's driving license application (10-year card) as he travels to another area this weekend—ask for travel safety and that the license will be accepted without issue.
