Mission Prayer Movement: United States of America
November 3-9, 2026

Updates & prayer points:

1. PRAY FOR THE MIDTERM ELECTIONS

- Pray for U.S. citizens as they cast their ballots and for state and local election officials to impartially and transparently gather and tally votes.
- Pray for federal officials as they seek to protect the elections from cyber and other attacks.
- Pray for every candidate, they would conduct themselves with honesty and integrity in these final days.
- Pray for those elected on November 3, that they themselves would honor God, to exercise their authority with integrity and to continue to be covered in prayer by believers.
- Pray for the justices of the Supreme Court as they consider emergency appeals regarding the election.
- Pray for Attorney General Blanche as he heads the Justice Department's efforts to ensure states comply with federal and state laws regarding election integrity and administration.

2. PRAY FOR AMERICA'S FOREIGN RELATIONS

Colombia has rejoined the Geneva Consensus Declaration this month, becoming the 47th nation to affirm that there is "no international right to abortion nor an international obligation on states to fund or facilitate it." The Cancilleria Colombia stated that the nation joined the coalition "committed to the defense of life from conception to natural death, the strengthening of the family, and respect for the sovereignty of each nation to define its own policies."

After Brazilian Senator Flavio Bolsonaro questioned the integrity of the presidential run-off election this week, Brazil's Federal Police ordered him to surrender his passport and prohibited him from leaving the country. Bolsonaro then fled the country through Argentina and Ecuador, then flew to Miami, Florida. The United States issued asylum visas to him and his family. His father, Jair Bolsonaro, has been on house arrest under President Luiz Inácio Lula da Silva's regime.

Pray for American diplomats and leaders as they meet with foreign ministers and heads of state to negotiate mutual concerns.

3. PRAY FOR THE NEGOTIATIONS WITH IRAN

- Mediators have held consecutive days of peace talks in Doha, Qatar.

- Pray for President Trump to be discerning in his objectives and oversight of negotiations with Iranian leaders.
- Pray for Vice President Vance and members of the U.S. diplomatic team as they support peace talks.
