Prayer Points:

- May The Lord guide and provide CGO with the resources to prepare 300 Back to School bags with supplies for children in the community. May The Lord use this gesture to open doors to share God's love
- May The Lord provide CGO with a New Place to expand its ministry and better serve the community
- May The Lord reveal His vision for CGO in the coming year. The goal is to impact 20,000 people with the love of Christ. May The Lord bring the right people to serve as staff, volunteers, and partners. May He also grant wisdom to prepare the 2026 Budget and Divine guidance in strategies for execution of His vision
- Pray for God's favor and blessing on all programs, visitations, and continuing partnership with the Coptic church. For fruitful collaborations that glorify His name
- Urgently pray for God's healing upon those who are sick in the community, and for His provision of medication, effective treatment, and comfort in affliction. Many Sudanese brothers and sisters are sick from Dengue fever, malaria, etc
