PRAY FOR AN END TO THE WAR IN UKRAINE:

Pray for U.S. and allied officials as they evaluate Putin's goal of extending territorial gains beyond Ukraine.

PRAY FOR AMERICA'S RELATIONSHIP WITH ISRAEL:

Israeli Defense Forces found 5 million shekels (\$1.4 million) inside the residence of a senior Hamas terrorists, located in suitcases along with a cache of weapons. In one 24-hour period, IDF forces struck 140 terrorist targets in the Gaza Strip in assaults from the air, sea, and land.

Pray for wisdom for Israeli leaders as they experience pressure from members of President Biden's administration, the United Nations, and others.

PRAY FOR AMERICA'S FOREIGN RELATIONS:

Japan and South Korea scrambled fighter jets late last week after Russian and Chinese aircraft were spotted near their countries' air defense zones, although airspace was not violated.

Pray for U.S. and allied leaders as they address heightened tensions with China and Russia.

PRAY FOR GOODNESS IN AMERICA:

At a time when pornographic and other questionable books are being placed on school library shelves, the officials of one school district in Florida voted unanimously to keep the Bible in its libraries.

Pray for more students across America, and their parents, to become well acquainted with the Bible and come to faith in Jesus as a result.

Pray for the president and his advisors in the administration as they implement the new “green” directive for government employees.

LEGISLATIVE BRANCH: PRAY FOR SENATORS AND REPRESENTATIVES IN CONGRESS

Pray for members of Congress as they deal with a measure intended for foreign intelligence and not for surveillance of Americans at home.

JUDICIAL BRANCH: PRAY FOR SUPREME COURT JUSTICES AND FEDERAL JUDGES

With thanksgiving for the court’s decision that will protect pollinators, imperiled species, and the health of farmworkers at risk from the overuse of the antibiotic.
