

**Prayer items – Florin, local Romanian missionary****Ministry Updates and Prayer Requests****• Ongoing Ministry Among the Jewish People**

Pray for continued open doors, wisdom, and favor as Florin and the team share the Good News with Jewish and non-Jewish communities.

**• Gratitude for the New Meeting Space**

Give thanks that the Jewish Messianic fellowship has moved out of the public pub and into a new, centrally located meeting space in Bucharest. Pray that this location remains easily accessible for prayer, worship, deep Bible study, and building faithful witnesses in the Lord of Jesus Christ.

**• Outreach through Acts of Service**

Pray for the families being reached through practical aid, including the family of five living without electricity or water who received wood for heat, and others receiving food and clothing. Pray these acts of kindness open doors to share the Good News.

**• Grace and Strength for Florin**

As Florin continues to serve amid family challenges—especially concerning Peter’s health—pray that the Lord will grant him supernatural strength, sustaining grace, and deep peace. Ask that he be continually refreshed and empowered in his calling to reach the Jewish community.

**• Divine Direction & Wisdom**

Florin specifically requested prayer for ABBA’s direction and wisdom in all decisions ahead as he navigates a heavy season of both family and ministry challenges.

**Family Updates and Prayer Requests****Peter Joshua’s Recovery & Treatment**

- Genetic Test Results: Praise God that Peter’s genetic tests (processed privately outside Romania) showed no mutations, which is a very positive report for his long-term outlook.
- Physical Therapy: Peter urgently needs specialized help to regain movement in his left hand, as his clavicle was affected during surgery. Pray for the right specialist and clinic to provide the therapy the public system has failed to offer.
- Medical Guidance: Pray for the Oncologist in Romania as she consults with a specialist in Austria this week. Also, pray for the connection with the Jewish Professor Doctor in Israel; ask that despite the war, Peter’s case would be reviewed quickly.
- Strength for the Journey: Peter remains on a very strict special diet for the rest of the year. Pray for his endurance and for the "Good Seed" to bring lasting fruit in his life during this recovery.

**Family Life & Housing**

- Home Infrastructure: Pray for the resolution of the water issues at their new house. As the weather warms, Florin needs to fix the plumbing so the family can finally complete their move.
- Provision for Essentials: Pray for the financial means to purchase basic necessities for the new home, specifically mattresses and furniture.
- Endurance for Florin: Florin is exhausted, often spending long hours with Peter at the hospital with no concrete results on Peter’s treatment and result. Pray for renewed physical and emotional strength as he cares for his son and manages the household transition.

### 事工更新和祈禱事項

- **猶太人中的事工**

求神賜下持續敞開福音的門、智慧與恩典，讓他們能向猶太人與非猶太人群體分享耶穌基督的好消息。也為那些新信徒禱告，祈求神加力。

- **為新的聚會地點感恩**

感謝神，猶太彌賽亞信徒團契已搬離公共酒吧，遷入位於Bucharest市中心的新聚會點。求主保守這地方交通便利，成為禱告、敬拜、研讀主話語，以及在主耶穌基督裡建立忠心見證人的地方。

- **外展事工、幫助貧困家庭**

- 為那些接受實際援助的家庭禱告，包括一個沒有水電、要靠燒木材取暖的五口子家庭，以及其他獲得食物和衣服幫助的人。求主使用這些援助開啟分享福音的大門。

- **Florin 的力量與恩典**

在 Florin 持續服事的同時，也面對著家庭上的挑戰，特別是 Peter 的健康狀況。請為 Florin 禱告，求主賜給他額外的時間、剛強的信心與能力，使他能在此困難中持續服事猶太群體。願主扶持他，並有主的平安充滿他。

- **從神而來的引領與智慧**

Florin 特別請求為他禱告，得著從天父來的引領與智慧，好讓他能應對當前沉重的家庭與事工壓力，並在未來的各項決策中做出正確的判斷。

### 家庭更新和祈禱事項

#### Peter Joshua 的康復與治療

- 基因檢測結果：讚美主，Peter 的基因檢測（在羅馬尼亞境外私人機構進行）顯示沒有任何突變，這對他的長期展望是非常正面的消息。
- 物理治療：Peter 急需專業協助以恢復左手的活動能力，因為他的鎖骨在去年 11 月的手術中受到影響。求主預備合適的專家和診所，提供公共醫療系統無法提供的復健治療。
- 醫療指引：為羅馬尼亞的腫瘤科醫生禱告，她本週將與奧地利的專家進行諮詢。同時，也為與以色列猶太教授醫生的聯繫禱告；儘管當地有戰爭，求主讓 Peter 的案例能得到迅速的審理。
- 康復之路：Peter 在今年餘下的時間仍需遵守非常嚴格的特殊飲食。求主賜他耐力，並讓他在這段康復期間的生活中結出永恆的果子。

### 家庭生活

- 房屋基礎設施：為新房子的供水問題得到解決禱告。隨著天氣轉暖，Florin 需要修理水管，以便全家能完成搬遷。
- 基本物資供應：為購買新家基本生活必需品（特別是床墊和家具）的資金供應禱告。
- 更新的力量：Florin 感到筋疲力盡，他經常陪同 Peter 在醫院待上很長時間，卻未見明確的治療結果。求主賜下更新的力量，讓他能一邊照顧兒子，一邊處理搬家事宜。
