Prayer Points

- Please pray for ongoing programs for women, teenagers, and children and upcoming meetings. That these programs will not only serve the needs of the community but will also allow staff and volunteers to build relationship and get to know them better
- Please continue to pray for the home visitation ministry. People are anxious and fearful about uncertainties of the future.
- Please pray for the new “Leadership Training on Discipleship” that got started at the Coptic Church with 40 people
- Please pray for the preparations and training of the Sudanese Leadership Training School. The goal is to train 100 leaders capable of making disciples
- Please pray for the safety and security of refugees. Currently there are heightened security measures against refugees in Egypt that are causing tension and difficulties. Refugees are pressured into forced repatriations
- Please continue to pray for the Sports Academy. It has been a very successful outreach venue for youth. May The Lord continue to use the coaches and other volunteer staff to mentor young people with right values. The Academy is starting a new school for the training of coaches with a dual mission of ministry and as vocational training
