

Chile Prayer Newsletter (week of 3/29/2026 – 4/4/2026)

- 1- Please pray for our next generation, asking the Lord to open their hearts so that they may come to know God more deeply. We ask the Lord to grant them discernment and wisdom, and to instill in them a humble and teachable spirit as they learn and grow in their faith. We pray that God will grant parents the wisdom to guide and educate our next generation. May the Lord lead the growth and development of our youth and children's ministries! We pray that the Lord will guide the work of our church's Couples' Fellowship, leading every couple to cultivate a true loving relationship with God, and ensuring that every one of our families is built upon the foundation of the Lord's love. Finally, let us pray for our Sunday worship services, our Thursday morning prayer meetings, and the resumption of our in-person Bible study group in the Maipú district on Mondays.
- 2- Please pray for Ning (11 years old)—the niece of Yu-yu—who has suddenly been diagnosed with acute leukemia. She is currently undergoing chemotherapy at Zengcheng Hospital in Guangzhou. We ask the Lord to heal her illness, grant her a strong heart to face this challenge, and relieve her suffering. Following the chemotherapy, she is scheduled to undergo a stem cell transplant; we also pray that the Lord will comfort and strengthen my cousin and his wife as they care for Ning.
