

Chile Prayer Newsletter (week of 5/17/2026 – 5/23/2026)

- 1- Brothers and sisters, please pray for our church's evangelistic ministries for the second half of the year—specifically the ministries of the Sisters' Fellowship, Brothers' Fellowship, Youth Fellowship, and Couples' Fellowship—as well as for the preparations for our youth summer retreat scheduled for next January.
- 2- Praise God that we have been collaborating very well with the Chilean Christian and Missionary Alliance Church. They have provided us with tremendous support in every aspect. Currently, quite a few brothers and sisters from the Chilean church are touched to serve as active mentors for our youth fellowship and Sunday school programs. We are deeply grateful!
- 3- Brothers and sisters, please continue to pray for Pastor's wife, YuYu's young niece, Ning who is only 11 year old. She was diagnosed with the sudden onset of acute leukemia. She is currently undergoing chemotherapy at Zengcheng Hospital in Guangzhou. She is now in her second cycle of treatment, and her physical condition is quite weak. She has begun losing her hair and suffers from vomiting after eating. We ask the Lord to heal her illness, grant her a strong heart to face this challenge, and reduce her suffering. Following the chemotherapy, she will require a stem cell transplant; we also ask the Lord to comfort and strengthen the hearts of my cousin and his wife as they care for Ning. My cousin and his wife have not yet come to faith in the Lord. We pray that God opens doors for us to help my cousin's family as well as families of other brothers and sisters to accept Christ as their personal Lord and Savior.

為智利教會禱告 (5/17/2026 – 5/23/2026)

1. 請弟兄姊妹為我們教會下半年的福音事工禱告：姊妹團契、弟兄團契、青少年團契、夫婦團契的福音事工，還有我們明年一月份的夏令會準備工作代禱
2. 感謝神！我們和智利的宣道會合作得很好，智利的宣道會在各方面給我們很多的支持，現在我們的青少年團契和主日學他們都有導師很有感動地來幫助我們！
3. 請弟兄姊妹繼續為玉瑜師母11歲的小侄女韻寧的突發急性白血病禱告，她現在在廣州增城醫院做化療，正在進行第二療程的化療，身體比較虛弱，開始掉頭髮，吃東西會嘔吐。求主醫治她的病痛，賜給她堅強的心面對，挪去她的痛苦，化療之後要做幹細胞移植，也求主安慰和堅強我堂弟和弟媳他們的心來照顧阿寧。我堂弟他們還沒有信主。求主開路帶，藉此機會讓我的弟兄姐妹們能感受到主的大能及愛從而認識神。
